Monthly Llandysul Town Wi-Fi Report - September 2024

LLANDYSUL FOOTFALL

2023 November and December incomplete data due to technical issues.

Notes

1. There is another decrease in footfall from the previous month.
2. The pattern seems to be following the footfall for 2022.
3. Car parking charges were reintroduced on Wednesday 7th August, after a long absence.
4. Not every device can be detected, so the amount counted is not exact and there are not enough access points to cover the town. However, the data collected might spot any trends over time or identify areas of the town that are particularly popular with visitors.
