## Monthly Llandysul Town Wi-Fi Report - January 2026

### LLANDYSUL FOOTFALL

2025 Only 2 access points working from January to June  
2023 November and December incomplete data due to technical issues.

### Notes

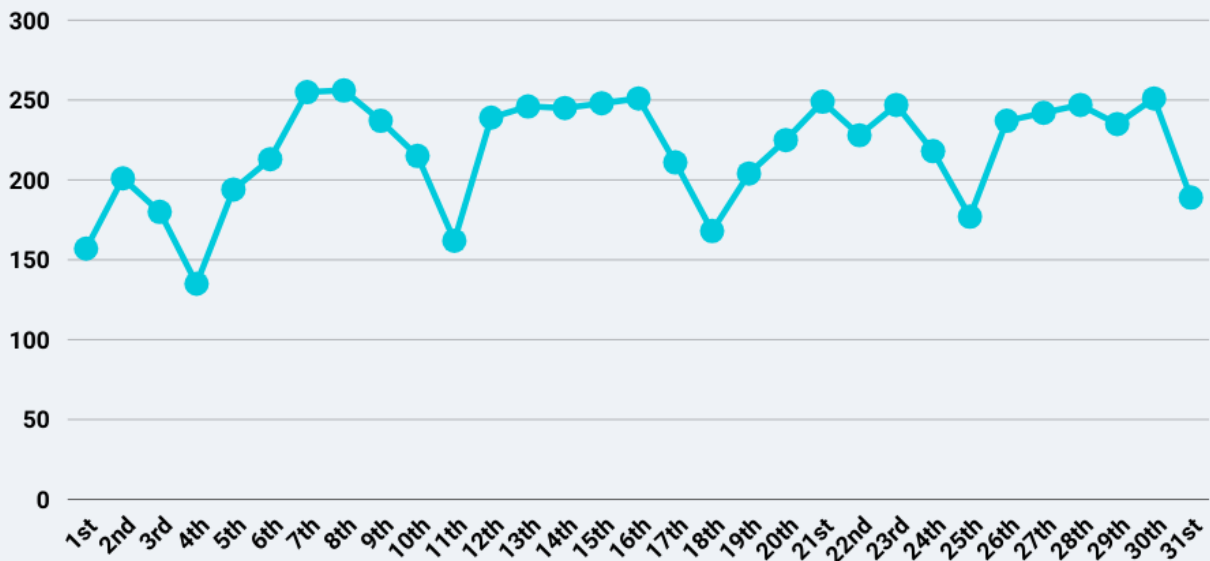

1. Unfortunately the units at Allied Chemist, Teifi Law, Siop y Jones are offline. It is now more difficult to compare data but it does look like January was a very quiet month for footfall.
2. Issues with past data. (1) Two new devices were introduced in November 2024, which is why there is a big increase in figures. (2) Only 2 units were working from February - June 2025.
3. Not every device can be detected, so the amount counted is not exact and there are not enough access points to cover the town. However, the data collected might spot any trends over time or identify areas of the town that are particularly popular with visitors.
